JUNIOR GIRL SCOUTS HELD THURSDAY MEETING

Junior Girl Scout Troop 322 had its regular meeting Thurs., April 21st from 6:30 to 8 p.m., but it was special in many ways. Two themes are being followed during the month of April, one is "Bring a Friend" and the other is "Communications."

The Scouts have been inviting their friends to our meetings. Thursday, Lisa Rogers brought Peggy Becker who was a great help in the kitchen during refreshment time. Marlene Watkins brought Sandra Watkins. Clindy Clark brought Jo Ann Jamerson and Jo Ann Wooding brought Priscilla.

The fly-ups and their leaders from Appomattox Brownie Troop 308 and Pamplin Brownie Troop 328 were there to see how a Junior Girl Scout Troop runs a meeting.

The Scouts laid a trail for the Brownies to follow to go along with the communications theme. The end of the trail was in the woods behind our meeting place and all were surprised to find Smokey The Bear at the end of the trail.

Mrs. Thelma Goin and other members of REACT Team were there to tell the emergency procedure used on CB radios. All the girls were shown how to key up the CB and they were able to talk on it.

The meeting went smoothly even though it was our first time with over 40 people present. The Court of Honor laid patrol laid the trail, the Dogwood patrol did the flag ceremony, the Cardinal patrol served refreshments, and the Pansy patrol cleaned up. We had a great meeting and I appreciate everyone's help.

New and present craft center members are asked to bring in items for consignment to sell in the shop on Friday, April 29th between the hours of 1 p.m. and 5 p.m. A good turnout of members will assure a better selection and increase sales potential. If you have a special skill or talent you might like to join the Center and consign your items to the shop for sale. All Appomattox residents are eligible for membership in H.A.S.A.C.

The Center will open officially for business on Saturday, April 30th at 10 a.m. and will be open Fridays, Saturdays, and Sundays throughout the month of May. In June the hours will be expanded to a weekly schedule. Drop by the station and see what local residents have made.
